

Site Ancillaries

Orange Barrier Fencing

Extruded barrier mesh for cordoning off areas on construction sites, sporting events etc.
Easy to erect using steel fencing pins
Roll Size 50m x 1m

Pointed Road Pins

Supplied with a point one end to go through most ground conditions.
Range of sizes available 16x600mm, 16x900mm, 20x600mm 20x900mm

Line Marker Paint

Spray applied marking paint for contractors & engineers spot marking.
Colour coded as below for various uses

White - General Use Yellow - General Use Red - Electricity Blue - Water
Orange - General Use Green - Cable Work Black - covering old lines

Frost Blankets

Easy and inexpensive solution to allow concrete to be laid even when temperatures fall below 5 degrees.
The thermal insulation effect of the frost blanket significantly reduces the loss of natural hydration heat from the concrete enabling safe curing to take place.
Supplied in 1.5m x 75m rolls

Hessian Rolls

Used for the protection of concrete and masonry.

Fluted Protection Sheets

Offer a medium protection system to prevent damage to surfaces / membranes.
Supplied in 2400 x 1200mm sheets
Standard 2mm thick although thicker options are available.
Standard Black Recycled sheets or Translucent Flame Retardant

Pallet Wrap

High Resistance to tearing, ideal for wrapping and protecting goods on site.
Supplied with extended core for ease of use

Tarpaulins

Laminated waterproof tarpaulins for covering up on site.
Provided with holes at 1m intervals for tying
Supplied in 2x3m, 3x4m, 4x5m and 4x10m

Concrete Dissolver

Belle clean concrete dissolver used to clean concrete of machinery
and equipment.

Spray Adhesive

500ml spray cans of adhesive. Suitable for range of fixing applications

Gripbond Adhesive

Solvent free instant grab adhesive.
Ideal for holding joint fillers in place whilst pouring concrete.

PVA Adhesive

5ltr all purpose primer, sealer and bonding agent.

Guns and Tools

Sealant (Skeleton) Gun

400ml capacity for the application of sealants and adhesives

Bulk Gun (600ml Foils)

Applicator gun for use with sausage silicone packs

Foam Applicator Gun

PU foam gun for precise application of gun grade foams
Heavy duty version available

Resin Applicator Gun

Heavy duty gun with quick release trigger for instant pressure release.
For use with polyester resin fixing systems

Blow Out Pump

For removal of dust prior to use of injection resins

Mixing Paddle

Range of paddles available for mixing grouts / sealants

Gorilla Buckets

42 Litre tub - ideal for mixing grouts etc

Plastic Builders Bucket

General purpose plastic bucket with pouring lip

Roller & Tray Set

230mm roller complete with hardwearing plastic tray

Radiator Roller & Tray Set

100mm mini roller and plastic tray for small / awkward areas

Brushes

Range of paint & tar brushes available from stock
